Resolved, That we tender our thanks to the Missouri, Kansas & Texas, and the Kansas City, Fort Scott & Memphis Railway Companies for the courtesy of reduced fares to members and visitors during this session. Also to the Trans Missouri Committee of the Western Passenger Association for like favors.

Resolved, That we appreciate most highly the official visit of our beloved Bishop Mallalieu, and are grateful for his wise counsels, patient, forbearing administration, and above all for his evangelistic and pulpit labors while with us, and we will ever pray that he may be spared in health and strength for many years in the discharge of the sacred duties of his high office.

Resolved, That we have been pleased, instructed and edified by the presence of Drs. McCabe, Young, Hard, Hartzell, Curts, Schell and Goucher, and most cordially invite them to Kansas as often as duties elsewhere may permit, assuring them anew of our loyalty to the great causes they represent.

Resolved, That we set apart Friday, April 20, 1894, as a day of fasting and prayer for the outpouring of the Holy Spirit upon the State of Kansas, and for a mighty tidal wave of revival that shall sweep into the ranks of the followers of Christ, many thousands of the people of our State. We will urge upon our people the observation of this day, and arrange for appropriate services for the same. Resolved, That we request the Presiding Elders, before our next session, to revise the list of standing committees to the end that the number of the same may be reduced.

Resolved, That in view of the appalling distress and disaster occasioned by strikes, lock-outs and reductions, we instruct our Secretary in our behalf to memorialize the executive of our State, and our legislature immediately upon its assembling, to enact a law establishing a proper board or boards of arbitration with jurisdiction to settle all disputes between employes and employers.

REPORTS OF STANDING COMMITTEES.

AUDITING.—The Auditing Committee have carefully examined the accounts of the Presiding Elders of the several districts, and find the Missionary appropriations have been properly disbursed, and receipts therefor taken.

F. W. FENN, Chairman.

J. H. HUBBARD, Secretary.

DISTRICT CONFERENCE JOURNALS.—We have examined the Journals of the four districts and find them in good shape. The Journal of Fort Scott District is especially neat and accurate.

S. L. CHASE, Chairman.

H. R. VOLLMAR, Secretary.

BIBLE CAUSE.—The Bible being the only true standard of moral and Spiritual living, and recognizing the American Bible Society as auxilliary to the Missionary Society of the M. E. Church, both in Home and Foreign fields, therefore we will encourage and aid this Society in every consistent way.

A. O. LOCKWOOD, Chairman.

R. M. CULLISON, Secretary.

BETHANY HOSPITAL.—We rejoice in the work now being done by our church in caring for the distressed in body as well as in mind, and that among the agencies for this purpose is Bethany Hospital in Kansas City, Kan. We believe it ought to have the hearty sympathy and

support of all our people, and we will welcome to our charges Miss M. C. Hedrick, the financial agent, or any other accredited agent who may be sent out.

We are glad for the visit of Miss Hedrick to our Conference, and pledge her our prayers and financial support.

We recommend that J. W. Walker, C. R. Rice, H. J. Coker and J. M. Iliff, be appointed as visitors to Bethany Hospital.

H. W. CHAFFEE, President.

J. W. WRIGHT, Secretary.

DEACONESS WORK.—We commend the Deaconess work of the Church, and would urge the hearty support of the Deaconess Homes, Training-schools and Hospitals, and recommend that Homes be established in every Conference as soon as funds and attendants can be secured to care for the sick and fallen in our land, so that they will not fall into the hands of the Roman church. We would encourage our young women to attend the Training-schools so as to prepare themselves for effective work.

J. H. BLACKBURN, Chairman.

J. W. H. PYKE, Secretary.

FREEDMEN'S AID AND SOUTHERN EDUCATIONAL SOCIETY.—This Society, by its unparalelled success, has demonstrated the Divine hand in its origin and founding of her forty-six schools, and by the wise and judicious management of its affairs, the consecrated talent of her faculty, the revivals of religion, have made these schools centers of power for the uplifting of the down-trodden, the dissemination of intellectual light in the Southern states. We highly appreciate the visit, cheering words and wise counsels of her very efficient Corresponding Secretary, Dr. Hartzell, and cheerfully accept our apportionment of $1,200 for the ensuing year, and will solicit from and urge our people in giving and making bequests to the Society, and subscriptions to the Christian *Educator*.

B. F. SUMMERS, Chairman.

C. H. GRAMLY, Secretary.

FAMILY AND HOME RELIGION.—The most sacred place on earth is the home; ties formed in the family circle are inseperable. Christian homes are the foundations of society. Youth is trained for usefulness in both church and state in the homes of our land.

Recognizing these facts we, as pastors, will teach our people to observe family worship night and morning, by reading God's word, offering prayer and praise to Him who rules and guides all things.

The responsibility resting upon us—the duty we owe to our God, our family, our church, our country, demands that we live christian lives at home and abroad, and make our family circles altars unto the living God.

WM. M. LEISER, Chairman.

H. W. CHAFFEE, Secretary.

SUNDAY-SCHOOL UNION AND TRACT SOCIETIES.—We are deeply impressed with the importance of this branch of our church, embracing as it does, 28,856 schools, 328,000 teachers, 2,409,874 scholars. We are pained to note that during the last conference year, twenty-two charges failed to report any collection for this cause. We recommend that the sum of $250.00 be apportioned to the charges for the coming year.

We also wish to emphasize the importance of the "Tract Society" as an arm of power to any pastor who will avail himself of the vast assortment of tract literature, which it is anxious to furnish to all who apply.

We exhort the brethren to remember that tract distribution was one of the paths which led to our present greatness as a church.

We recommend that the sum of $250.00 for tracts be apportioned to the charges, and that every charge take the collection.

GEORGE C. EVANS, Chairman.

C. B. SEARS, Secretary.

WOMAN'S FOREIGN MISSIONARY SOCIETY.—WHEREAS, This Society has been founded for the express purpose of assisting the parent board in the work of the salvation of the heathen world, having its particular mission in the unity of effort and co-operation of the Chris-

tian women of the Methodist Episcopal Church, in sending female missionaries to the heathen women of our foreign fields, and maintaining native teachers and workers, as well as foreign helpers, and recognizing the fact that this is the 25th Anniversary of their Society; and in that time its success has been marvelous, until it has become the mightiest ally of the parent board, we, as Pastors, will more earnestly aid the Society in our respective charges in swelling the membership from over 150,000 to 300,000, and assist it in increasing the subscription to the *Heathen Woman's Friend* and *Heathen Children's Friend.*

L. M. RHOADES, Secretary.

WOMAN'S HOME MISSIONARY SOCIETY.—WHEREAS, The work done by the W. H. M. S. is in hearty co-operation with the Christian church in lifting up the fallen, and building institutions calculated to prepare for more efficient work in the future; and the wickedness and infidelity of the masses, especially in our large cities, and the influx of foreigners, render this one of the most important arms of church service.

We therefore extend our hearty sympathy and prayers, and pledge a helping hand in the work of this society.

L. J. GILLHAM, Chairman.

J. D. SMITH, Secretary.

CHURCH EXTENSION.—The total expenditure of this Society has reached this year the enormous sum of $5,000,000. Of this sum the South Kansas Conference, during the past 28 years, has received by donation $32,900, and by loans $62,700, a total of $95,600; making $82,500 received above what we have given. This year the Board asks from this Conference $2,800. If this amount is raised we will receive back for expenditure, in our own territory, $3,500. It is a matter of congratulation, that despite the hard times we have this past year raised $32 above the amount received the year previous.

There are, however, over seventy-five loans out-standing in this Conference, the larger part of which is overdue; and we desire to call

the attention of pastors and boards of trustees to the necessity of maintaining strict faithfulness, in all particulars, with the parent board.

We also recommend a careful observance of the ruling which orders the taking of this collection separately; and when taken, to forward amount at once to the parent board at Philadelphia.

S. P. CULLISON, Chairman.

R. E. MACLEAN, Secretary.

STATE OF THE CHURCH.—We rejoice in the victory brought to us by the great revival wave which has swept over our Conference, bringing over four thousand people into our church during the year, and demonstrating her power, in the providence of God, to bring the world to Christ. More and more our people see the necessity of caring for every interest of God's cause, and to this end we recommend that pastors call the attention of our people to the avenues opened through the Deaconess Homes and hospital work. We are pained to know that the interests of the Church are suffering through the influence of certain legalized gambling institutions in various parts of the state, and we deplore the establishment of lotteries in our state, and urge that all lawful means be used to uproot them. We insist that only such men be elected to the next legislature as are known to be in favor of the suppression of lotteries, and that no man who has any connection with them be approved for any state office. We favor an appeal to Congress for a law which shall forbid the transmission of any or all lottery material by express companies, or any interstate commerce conveyance.

IRA M. BENHAM,

M. E. SPAHR, Secretary. President.

PERIODICALS AND LITERATURE.—We are glad to hear of a possible reduction of 50 cents in price of our *Advocates*. We believe that at $1.50, cash, we can increase the circulation of our *Advocates* 25 per cent at least. We therefore pledge ourselves to work to this end, even if the publishers cannot pay us a commission. We believe that the circulation of all semi and unofficial papers are detrimental to the interests of our official papers, therefore we will not encourage the circulation of such papers in our charges.

We are glad to express our confidence in, and affection for our own home paper, the *Central Christian Advocate*, and its editor, Rev. Dr. J. B. Young, whose fellowship with us at our Conference session we gratefully recognize. We urge our pastors to press the great claims of this paper constantly.

Whereas, our secretaries spared no pains in their efforts to acquaint the pastors and people with the workings of their societies; therefore, we will put forth our best effort in circulating their publications among our people. We most heartily congratulate ourselves (and our editor, too) in having such an excellent publication as our *Epworth Herald*, and recognizing its superiority over all like publications, we therefore pledge that we will do our utmost to spread its circulation among our young people.

W. M. STRANAHAN, Chairman.

V. H. CALVIN, Secretary.

THE SABBATH.—Believing the enemies of righteousness are combined to destroy the sanctity of the Sabbath; and that the abominable liquor traffic, the greed of great corporations, and the Sunday press are a menace to the purity of this day as a day of rest; therefore we express ourselves in hearty sympathy with the American Sabbath Union in their efforts to retain the purity of the Sabbath, and all other institutions which have for their object the preservation of the Sabbath as a day of rest and worship; that we will, by preaching, distributing tracts, and all other means at our command, do all in our power to promote a pure and holy Sabbath.

S. F. STEVENS, Chairman.

A. D. WOOD, Secretary.

TEMPERANCE.—The prohibition law is popularly and righteously a statute law in Kansas and approved by the great majority of the people, and it has, during the thirteen years since its enactment, proven to be decidedly in the interests of good government and good business life, in favor of the quiet and peace of the home, and especially helpful to our young people as a guard against the drink habit

and a great help to high moral sentiment, therefore, we are privately and publicly and forever committed to the principle of Prohibition. We declare it to be the duty of every citizen to aid in its enforcement; we demand of the state, county and city officials, the simple enforcement of this law; recognizing as we do the importance of vigilance and favorable public sentiment in this matter, we will heartily co-operate in temperance meetings, preach sermons especially upon the subject; encourage the work of temperance organizations; urge the need of temperance instruction in our public schools, pray, and in every laudable way, work for the highest success of Prohibition in our commonwealth, and for the utter and everlasting extermination of the saloon everywhere. We will constantly labor in word and effort against the evasion of the penalty of law through perjury on the witness stand and in the jury box.

JOHN MACLEAN, Chairman.

J. W. WALKER, Secretary.

EPWORTH LEAGUE.—We rejoice that the prosperity and hopes expressed at the organization of the Epworth League, have been more than realized, and that now the Epworth roll call may be heard around the world, and that multitudes of stalwart Christians are being recruited from its ranks for our beloved Methodism.

We wish especially to remind all our Epworthians that the primary object of the Epworth League is to promote pure and undefiled religion, and to this end we should keep the work of the first department well to the front, and cause each member to feel that the observance of the pledge is a most sacred duty.

We most heartily endorse the reading course prepared for the League by Dr. Schell, and would recommend its adoption by all the chapters.

We rejoice in the growing popularity of the *Epworth Herald*, and pledge Dr. Berry our hearty co-operation in extending its circulation.

We believe it to be the duty of every pastor to organize Junior Leagues, where the little ones may be gathered and trained in the doctrines and usages of our church, and we further recommend that every charge shall be the camping ground of a company of Epworth guards.

J. E. WHITEHEAD, Chairman.

M. L. K. MORGAN, Secretary.

POPULAR AMUSEMENTS.—Whereas, some popular amusements are sinful, *per se*, and others have an evil tendency, so the relation of the Methodist Episcopal Church to these things can only be that of unalterable opposition to everything that is ungodly, therefore, recognizing the difficulties in dealing with these questions, and seeing the need of leading the people into higher walks of life, and teaching them concerning wiser, better and purer entertainments, rather than the dogmatic denunciation of specific evil things, we stand on Biblical ground, declaring "whatsoever is not of faith is sin," and that the discipline taught, believed and obeyed will be adequate to all occasions. We, as pastors, ask the earnest co-operation of the membership and officials of our churches and schools to the end that nothing may be done that will blight, or impede the spirit and progress of our Methodism in spreading scriptural holiness over the land.

We respectfully request the faculty and trustees of Baker University to discontinue inter-collegiate games during the school term.

A. McDOLE, Chairman.

ANANIAS CULLISON, Secretary.

EDUCATION—*Children's Day.*—It is with great pleasure we recognize the report sent by Dr. Payne to this Conference, and we rejoice that the Board of Education has had another blessed year of prosperity. It has aided 1,416 students, 1,095 of whom were preparing for the ministry. Those aided were of twenty-four different nationalities, and were in more than one hundred different schools in various parts of the world. Fifteen of these students aided, were within the bounds of the South Kansas Conference, and received in loan $676, which amount was $86 more than was paid the board in collection on Children's Day from our Conference.

We, as pastors, therefore, will urge the observance of Children's Day, and we recommend the Children's Day program entitled, "The Church of the Future," prepared by Dr. Payne.

BAKER UNIVERSITY.—We rejoice to note that Baker University is enjoying its most prosperous year. The enrollment is the largest in its history, numbering to this date 500, under the management of president and faculty known for its efficiency in administration and scholarship.

President Quayle has been notified by the Secretary of War that a military department will be established in connection with our college on the 20th inst. This is a mark of national recognition that

brings Baker University before the people of the state as never before. We also desire to call attention to the teachers' life certificate, which the college is now empowered by legislative enactment, to confer on those who pass the necessary examination. The superiority of these certificates over others is that they entitle the holders to teach in schools of cities of the first and second class, and also is the strength of the normal course required to be taken. We hope this new feature will have the hearty support of our Methodist families.

The forward movement to secure a large endowment is being inaugurated with gratifying success and, as pastors, we pledge our co-operation, and will endeavor to secure the co-operation of the laiety with the board of trustees to bring about its ultimate success. We recommend the appointment of an Educational Committee from each chapter of the Epworth League for the purpose of assisting in raising the Baker University collection, and the distribution of educational literature, the name of the chairman being sent to the President of Baker University. Having confidence in the Board of Trustees of our college, we leave all questions pertaining to the school in their hands.

Theological Schools.—We are gratified with the increased facilities which our theological schools afford to fit young men for the sacred calling of the ministry, and we reaffirm our former statement that all young brethren seeking admission to our Conference, take a partial, if not complete course in one of these schools. We most heartily commend Garrett Biblical Institute, DePauw University, Drew Theological Seminary and the Boston School of Theology. In all these seats of learning the faculties are well furnished in every sense for the great work of taking care of the large body of young preachers which throng their recitation rooms. The whole work done will bear the closest scrutiny. We commend again those schools to our young men.

We recommend as visitors to the several institutions under our care or patronage, as follows:

Baker University—J. R. McNabb, M. L. K. Morgan, M. E. Bramhall, Thomas Lidzy.

Garrett Biblical Institute—Isaac Hill, J. W. Wright.

To the School of Theology of DePauw University—N. V. Moore, R. M. Cullison.

Trustees of Baker University—H. W. Chaffee, R. N. Allen, E. W. Cunningham.

ISAAC HILL, Chairman.

H. J. Coker, Secretary.

MEMOIRS.

CULLER.—

Rev. M. C. Culler was born May 26, 1849, and died in the triumphs of Christian faith, January 10, 1894, at the parsonage in Elk City, Kansas, after an illness of about three months. He was raised in the Lutheran Church, but was not converted until January, 1889, in a Methodist revival at Green Springs, Ohio, and shortly after was given license as local preacher by Rev. John Mitchell, of the North Ohio Conference. Feeling called to the itinerancy he came to Kansas and began his work at Toronto, South Kansas Conference, as a supply. He was admitted on trial at the Girard Session, South Kansas Conference, and served the Toronto and Plymouth circuits one year each thereafter. Last March he was ordained deacon and appointed to Elk City circuit. He sought and found the blessing of perfect love in the winter of 1892, and in his preaching and pastoral work was earnest and faithful in pressing his people to a closer walk with God. He began his ministry at Elk City auspiciously, but almost from the first his health began failing, and about Nov. 1, he was taken down with malaria, which grew worse and worse, and then assumed the fatal typhoid form. He suffered greatly, yet battled bravely to live, that he might preach Christ, which was the delight of his life. His testimoney to Christ's saving and cleansing power was clear and constant to the last. Frequently he said, "It is all right." One day as we conversed on his soul's welfare and hope of heaven he said to me, "I am so glad my preparation for death and heaven was made before sickness came; it would be a poor time to prepare now." Again, when time for family worship came he said to his wife, "I am too weak to pray, but it is all right." An unconverted attendant said, "I have watched with a good many men through sickness, and seen a good many men die, but never saw any one who prayed all the time, as Bro. Culler has." He was a good man. He was married August 31, 1871, to Mary L. Mowers, who with brothers and sisters survives him. His interment occurred at Tipton, Mo., beside his mother. "Blessed are the dead which die in the Lord."

MOORE.—

Catharine Murphy was born in Switzerland county, Indiana, December 1, 1848, and died in Yates Center, Woodson county, Kansas, March 2, 1894. Her youtful life was not eventful. The early part of it she spent in securing to herself an education, principally in the following schools: The Vevay High School, Vevay, Indiana; Marengo Academy, Marengo, Indiana, and Blue River Academy, near Salem, Indiana. All her earlier life she devoted to teaching, mostly in the schools of Crawford, Indiana, and in the Marengo Academy. As a teacher she was exceedingly popular, never having to apply for a school but once in twelve years, and frequently having a choice between different schools which she had been selected to teach.

On the 18th of April, 1877, she was married to Rev. N. V. Moore, then a young minister in charge of the M. E. Church in Elizabeth, Indiana, whence she was immediately taken for the remainder of that conference year. After that she shared in the trials and triumphs of her husband's ministerial life in the following places: Fredericksburg, Corydon, New Philadelphia, Morgantown, Putnamville—all in Indiana; and in Cherokee, Fredonia and Yates Center Kansas. In the last named place she laid down the weapons of ministerial warfare to accept the reward of faithful and valorous service.

From childhood she was a Christian, having been converted at the age of ten, when she made a public profession of religion. Since that time she has ever shown her loyalty to Christ. As a Christian she was true, tender, simple in faith, child-like in her inquiring after the right way, and always courageous, prompt and faithful. She did not believe in compromises. As a wife she excelled. Her tender and affectionate qualities of heart, her genial spirit, her sound judgment, wise council, and frugal habits, and her unswerving fidelity to her husband's comfort and to the home, all contributed to make her a model wife. She was not a "society" woman and yet she was a favorite in the social circle. Her genial and social qualities made her multitudes of friends in every place of the many in which her lot had been cast. In all places and positions she was faithful; in the midst of suffering she was cheerful and bright. When the end came it found her ready. Recently she had marked many of the precious promises of God, and when the end was near and she found it difficult to speak, she said: "How poor are all words except God's word." Further, she said: "Glory, glory, glory; let every one say glory; the room is full of glory." When asked by her husband what he should do when she was gone, she remarked: "Come to me," pointing upward while she spoke. She died peacefully as one falling to sleep.

CRAIG.—

Martha A. Bliss was born in Fulton county, Illinois, November 29, 1840. From her earliest childhood she was of a religious disposition, and at the age of fifteen years was converted and joined the Methodist church.

She was married to Rev. J. B. Craig at Louisville, Illinois, October 1, 1857, saying like Ruth of old. "Where thou goest I will go," and for thirty-seven years in the Rock River, Central Illinois, and South Kansas Conferences, she shared the trials and honors of an itinerant's life. She died Wednesday, March 7, 1894, in the parsonage at Westphalia, Kansas, and was buried at Yates Center.

Such are the brief data of the life and death of one woman. She was born, married, lived and died and that is all. Ah! is it all? Could she not say, "I have fought a good fight?" Who of us, as we look back at those thirty-seven years spent in Methodist parsonages, will even try to measure the good of such a life? We think of the young men whom she has counseled into newer, higher life; of the young women made better by her consecration; of the burdens she has borne for the church; of her husband going out to his work strong and firm because of her loving ministries, and coming back storm-tossed, weather-beaten and weary, to be rested and refreshed in the home harbor because she was in it. With all this and much more may we answer the question, "Is that all?"

When the near approach of death became apparent, she met it calmly saying to her husband: "Of course, I would rather live, for I can scarcely feel as if my life work is done, but let us not worry. God knows best, and I can say 'his will be done.'" When the messenger knocked at her gate, she bade him wait only until she could have a talk with her only son, and when he came and the sacred hour with his mother was over, she fell asleep with heaven's own glory shining on her face.

The closed doors of the school house at Westphalia, and the presence of teachers and pupils at the funeral, showed their appreciation of one who ever loved them.

We asked, "Is that all?"

We shall know bye-and-bye why our brother is left to do his work alone; why the son and daughter are bereft of a mother's love, and the church of a pillar of strength. In the sweet bye-and-bye, when we, too, go home, we shall know.

BALDWIN.—

Lucius M. Baldwin was born at Burlington, Kansas, February 24, 1869, and met an untimely death at Coffeyville, Kansas, October 5, 1892. At the time of his death hs was head clerk in Read Bros. store at Coffeyville. When the alarm was given that the Daltons were raiding the city banks, Lucius was among the first to rush to the help of the officers, and was the first to fall by the villain's bullets. During the four hours' consciousness before death came, he gave every assurance of hope and victory.

He was the son of Rev. D. S. Baldwin, who entered the conference in 1872, and until failing health forced his retirement, gave the church seventeen years of successful and self-sacrificing work. During these years Lucius caught the spirit of his father and mother, that of self-forgetful devotion to others, and lived as he died, for others. He was an active member of the church, devoted to all its interests, an ardent Epworth Leaguer, was educated in the public schools, and for a time attended Baker University.

Lucius was a young man of clean character, with lip unfouled by profanity, strong drink or tobacco, affable in spirit, winning for himself a host of friends wherever he went. He was buried in Graceland Cemetery, Burlington, by the side of his father.

STAFFORD.—

Walden, son of Rev. G. W. and Sarah B. Stafford, was born at Hymera, Indiana, September 20, 1883, died in the parsonage at Eureka, Kansas, December 6, 1893. He was a bright boy by instinct and training, loved the church, Sunday-school and Junior League, and his departure leaves a great sadness in the home, lightened by the blessed peace of God.

McNABB.—

On February 26, 1894, "the shadow of a great affliction" fell upon the home of Brother and Sister McNabb. Their little son Samuel Earl, aged about one year, sickened of scarlet fever and died.

"Is it well with thee? Is it well with thy husband? Is it well with the child? and she answered: 'It is well.'"

MARTIN.—

Also an infant son of Bro. Larkin Martin, aged 26 days.

PASTORAL AND PERSONAL RECORD.

The Kansas and Nebraska Conference was organized October 23d, 1856, Bishop Baker, presiding. The division of the South Kansas from the Kansas occurred March 21st, 1873, Bishop Bowman, presiding. The division of the Southwest Kansas from the South Kansas occurred March 3d, 1882, Bishop Warren, presiding.

The design in this record is to give the names of all members and probationers who have been identified with the South Kansas Conference at any time, as far as records can be obtained. In view of the imperfections of records, the very difficult and intricate work of collecting and arranging, I shall ask the forbearance of all for any errors that may appear. J. M. ILIFF.

Friends, how are you? Things have been a little mixed since this time last year, and men's souls have been tried, but thanks to our friends (score of whom are Methodist ministers) we are still doing business at the old stand, and friends, the close times are giving you the lowest prices on Men's Clothing, Hats and Furnishings that have ever been seen. This season we can fit you out elegantly for $15 per suit and up. and bear in mind, our Clothing is Tailor made and it fits, and the trimmings and the sewing are of the very best.

If you live too far away to call on us, drop us a line and we will send you samples and blanks for self-measure, and if you are a little above the average size, we will have garments made to order to fit you with a trifle above regular prices.

Ten per cent discount to ministers and their families.
